

Holiday Gift Bags for Seniors

Because we care . . .

So many of our elderly neighbors are alone. They are the silent majority who need not only daily essential services, but also to know someone cares about them. The simple act of remembering a senior during the holidays can make such a difference to brighten their day.

We are reaching out to our community partners who are willing to share their support and philanthropy and make a big impact in the lives of seniors during the holiday season.

Keep it Local!

Please help us fill this season's holiday bags to make it a warm and memorable experience for over 150 Interfaith Ozaukee clients.

Your donation will provide gift cards to local grocery stores. It will put nutritious food on the table and provide that vital social connection our seniors desperately need.

Our mission – help senior citizens including those with limited mobility, to remain independent in their
